**WILL RUSH LISTS READY FOR
CALL.**

Local boards have been instructed to
prepare their lists as rapidly as
possible so as to have quotas ready
for an early call. The call will go
out to new men as soon as the re-
mainder of the Class A men of 1917,
estimated at about 10,000 in the city,
are in camp.

Of the 189 local boards in New York
City, only twenty-eight have 246 or
more on the rolls of the 1918 regis-
trants, so that the first number
drawn, 246, will not affect the rest of
the boards. In Manhattan there are
twelve local boards with 246 men or
more; Brooklyn has ten; the Bronx
five; Queens one, and Richmond none.

In a number of cases registrants
holding No. 246, or their relatives, were
not at all backward in declaring that
exemption claims would be filed.

The holder of the number on the
list of Board 96 is Joseph Rosenblatt,
of No. 76 East Fourth Street. It was
said there that he was a Russian
subject, had no relatives here and
had announced that he would claim
exemption as an alien.

Another prospective east side ex-
emption claim is that of Joseph
Greenberg of No. 175 Essex Street, of
Board 98. His mother said he was
sent away by a physician several
days ago because of lung trouble.

Relative of Louis Ciccone of No.
411 East 12th Street asserted he
would ask exemption on the ground
of "underage and crooked feet."

At No. 25 Avenue D Philip Seigen-
baum, on the list of Board 103, was
reported to have moved.

Asserting he had two brothers, four
sisters, a father and mother in Italy,
all dependent on him, John Quintero,
of No. 437 West 36th Street, an-
nounced he would probably ask ex-
emption.

In Brooklyn, of the ten men holding
No. 246, Anthony Von Weising of No.
523 11th Street, Brooklyn, says he
told to enlist in the navy two months
ago and was rejected because of
physical disability. He underwent an

DRAFT BOARDS ARE WARNED
OF MARRIAGE SLACKERS IN
JUST-OF-AGE CLASS OF 1918

Likely to Ignore All Claims
Based on Marriage Since
War Began.

Members of local draft boards to-
day announced that particular war-
ners would be taken to determine whether
any of the new draft registrants are
marriage slackers. A report has
reached them that within the last
several months many men of twenty
or twenty-one married with the boast
that when called before their boards
they would be able to show they mar-
ried before they registered.

It is expected that in accordance
with the general spirit of the draft
law and the rulings from Washington,
the boards will ignore all claims for
deferred classification on the grounds
of marriage made by members of the
1918 class since the United States
went to war.

By next Thursday the classification
of all the men in New York who regis-
tered June 5 last should be complete.

The drawing of numbers in Wash-
ington yesterday did not arouse the in-
terest here that the drawing did last
year, because the order in which the
registrants are placed is relatively
unimportant, inasmuch as all are
likely to be in the training camps
within a few months.

**CLARINET AND SAXAPHONE
PLAYERS WANTED IN ARMY**

Marine Corps Sends Calls for
Musicians to Augment Bands
Now in France.

Major Gen. George Barnett, head of
the United States Marine Corps, with
Headquarters in Washington, has
delegated two men to come to New
York and round up all the clarinet,
flute and saxophone players they can
find. The Marine Corps is forming
another overseas band upon recom-
mendation of Gen. Pershing. The
Marine Corps already is represented
in France by two bands of twenty-
eight pieces each. These will be
augmented to fifty players as soon as
Principal Musician Taylor Branson
and First Class Musician Arthur
Tregina can find men qualified for
the above three instruments.

Musicians within the ages eighteen
and thirty-six are wanted. The head-
quarters of the Marine Corps are
located at No. 24 East 23d Street.
Lieut. Daniel M. Gardner is in charge.

A rush call was received yesterday
at headquarters for ten electricians
for duty with the aviation section at
Miami, Fla. Men between the ages
of eighteen and thirty-six may apply
if qualified. The pay ranges from \$20
to \$38 a month.

Flushing Man Dies in Camp.

Private Charles Benjamin Allen of
Flushing, who was in an infantry re-
giment at Camp Upton, died in a base
hospital there Tuesday night of heart
trouble and Bright's disease. He was
born twenty-three years ago in Flush-
ing and was a son of Mrs. Theresa
Allen of Lawrence Street. His father
was the late Benjamin Allen. He left
a wife and one child.

U. S. FOR THE FREEDOM
OF ALL SLAV BRANCHES
FROM RULE OF TEUTONS

Lansing Announces Stand in Answer
to German and Austrian
Misinterpretations.

WASHINGTON, June 28.—"All
branches of the Slav race
should be completely freed
of German and Austrian rule."

This is the declaration of the
United States Government made
to-day through Secretary Lansing.

His statement follows:

"Since the issuance by this
Government, May 29, of the state-
ment regarding the nationalistic
aspirations for freedom of the
Czechoslovaks and Jugoslavs,
German and Austrian officials
and sympathizers have sought to
misinterpret and distort its man-
ifest interpretation.

"In order that there may be no
misunderstanding concerning the
meaning of this statement, the
Secretary of State has to-day
further announced the position
of the United States to be that all
branches of the Slav race should
be completely freed of German
and Austrian rule."

**FIRST MAN ON HIS BOARD'S
LIST IS MARRIED.**

James J. Frye of No. 1910 Pacific
Street, became of age last August and
married about that time. There is to
be an addition to his family shortly,
he said yesterday.

Mrs. Pauline Bowers of No. 1929
Madison Street, whose son, Robert,
holds No. 246 with Board 179, Edgen-
wood, said he was her sole support
and that his younger brother and sis-
ter were also dependent on him. Fur-
thermore, he is lame.

In Board 86, No. 246 is Samuel G.
born in Russia and a resident of this
country four years. He lives at No.
487 Hopkinson Avenue. His father
lives in Russia, but his two older
brothers, neither of them citizens, live
in Brooklyn.

The mother of Angelino Mennello,
of No. 204 Union Street, Brooklyn,
was proud at his topping the list of
Board 27. She said he would be only
too glad to go, even though now in
an essential job as ship-culver. He
came here from Italy five years ago.

The Flatbush representative is
Howard Pitcher, of No. 583 East
Seventh Street, registered with Board
67.

Arnold Johnson, registered with
Board 28, is not at sea. He is a Nor-
wegian.

Programme of Music, Theatricals
and Boxing.

PARIS, June 28.—The United States
Army Ambulance Service with the
French Army has arranged for a spe-
cial Fourth of July entertainment for
all the wounded Allied soldiers in Paris
on the evening of that day. The large
number of American ambulances in the
city will be requisitioned to carry the
wounded from all hospitals.

Special arrangements have been made
for serving every one as quickly as
possible to shelter in case of an air
raid.

The programme includes plenty of
music, acting and dancing by French
and American theatrical and operatic
stars and four boxing bouts between
American ambulance men and French
boxers.

**HEROISM OF TWO NEGROES
IN FRANCE HONORED HERE**

In honor of the heroism of Privates
Henry Johnson and Needham Roberts
of the 288th Central Postal Directory,
Regiment, N. Y. N. G., a reception and
supper were given last night in Harlem
Casino, 116th Street and Lenox Avenue,
by the Woman's Auxiliary of that re-
giment.

Programs of congratulation for the
heroes were received from many city
and State officials. After a telegram
from Col. Roosevelt had been read by
Frederick H. Moore, editor of the New
York Sun, he presented a large silk
American flag, the gift of Col. Roosevelt,
to Miss Susan E. Prager, Presi-
dent of the auxiliary. The chief of
New York supplied the music for the
dancing. The proceeds of the affair
will be devoted to the needs of the de-
pendents of the soldiers in the re-
giment.

Privates Johnson and Roberts, in a
trench raid several months ago, killed
several Germans and took many pris-
oners. Each received the French War
Cross.

HOME CHRISTMAS,
WROTE BROOKLYN
SOLDIER, NOW DEAD

Private Bonnas, Born in Nor-
way, Among First to Go
Abroad With Pershing.

"Home by Christmas" was the last
line written by Private Alfred M.
Bonnas of the 26th Infantry to his
sister, Mrs. Arthur Amot of No. 645
Bay Ridge Avenue, Brooklyn. "Last
night she received a telegram from
the War Department announcing that
the boy who believed he would be
home for Christmas had been killed in
action June 14.

Bonnas came to this country from
Norway in 1916 and joined the Regu-
lar Army. After his enlistment at the
age of seventeen he went to the
Panama Canal Zone. He was among
the first to go to France with Gen.
Pershing.

Just as Mrs. Mary Moffett had
arranged to celebrate her soldier
son's birthday she received a tele-
gram from the War Department stat-
ing that he had been severely wound-
ed. The telegram was received June
26. Samuel Moffett is twenty-
three years old and is a member of
Battery E, Sixth Field Artillery. He
enlisted two years ago and spent
nine months on the border with Gen.
Pershing's forces. He arrived in

France on June 26. His twenty-se-
cond birthday. In his last letter home
he asked for some Brooklyn and
New York newspapers and pictures
of his mother.

His mother is captain of the
women voters of the Third Assembly
District, Brooklyn. The Moffet
home is at No. 4901 Third Avenue,
Brooklyn.

Corpl. John Joseph Ryder, reported
killed in action in to-day's casualty
list, was the son of the late Morti-
mer Ryder, a nephew of the late
Patrick J. Ryder, Tammany Hall
district leader, and lived with his
mother at No. 64 77th Street until
his enlistment with the Fifth New
York Field Artillery two years ago
for Mexican border duty. Ryder was
born in Manhattan twenty years ago,
and the family have lived in Brook-
lyn for ten years. He graduated from
Public School No. 103 shortly before
his enlistment. When this country
entered the war he obtained a trans-
fer to the 12th United States Field
Artillery and was made a Corporal
of Battery A.

A brother, William, is Gunner's
Mate and Coxswain on a United
States transport which has made five
trips to France.

YEAR FOR DRAFT OFFENSE.

Chief Clerk Sentenced on Charge
of Selected Man's Wife.

John B. Shaw of No. 81 Prospect
Place, Brooklyn, the Chief Clerk of
Draft Board No. 6, who some days
ago pleaded guilty to making improper
proposals to the wife of a drafted man,
under promise of placing her husband
in a deferred class, was sentenced this
morning by Judge Chafield in the
United States District Court of Brook-
lyn, to eleven months and twenty-nine
days in the Mincola jail.

"You have failed in your duty as a
draft official," Judge Chafield told
Shaw. "And if you were a soldier and
had been tried by a court martial you
would have been dealt with very se-
verely, but the statutes give me the right
to sentence you to only one year of im-
prisonment."
